

Ball End Tools

Balldriver® tools are tremendous time savers

High quality machining means:

- Smooth rotational action
- Extended tip life
- Reduced fastener wear

Ball end tools insert into screw head quickly, from up to a 25° angle, even when working in blind locations

Work efficiently, even near obstructions

Engineered to deliver the perfect balance between tip strength and working angle

Color Coded

- Inch
- Metric
- Star

PROJENIUM High Torque Steel:

- Up to 20% stronger, with more torque and twice the wear resistance of standard grades of steel.

PROGUARD Corrosion-resistant finish:

- Environmentally safe, provides better tool grip, resists solvents and is 5 times more corrosion resistant than competitor finishes.
