

Pliers

**Professional quality
for heavy duty use**

1

Superior performance well exceeding DIN standards

2

Finely-serrated jaws providing firm grip

3

Precise joint for optimum leverage

4

Slip-stop wings for secure grip

5

Ergonomically refined design for maximum comfort

6

Red/yellow model individually tested up to 1000V, VDE IEC 60900

7

Quality of Workmanship and materials guaranteed

8

Optimum long-lasting corrosion protection from special matt chromium surface

9

Induction-hardened cutting edge, 60 / 64 HRC

10

Outstanding cutting performance and highest precision

11

Drop-forged from special steel

12

2-component handle technology

13

GS tested for safety
